Ask the Fate Finder a “Yes or No” question. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	Not a snowball’s chance in a lava pit.
2	No, and that’s a generous assessment.
3	Did you really think that was going to happen? Bless your heart.
4	Nope. Not even if you asked nicely.
5	Sorry, the universe is busy ignoring you today.
6	A strong ‘meh.’ Leaning toward no. Very much no.
7	Don’t count on it. Like, at all.
8	I mean...technically possible. But so are unicorns.
9	Signs point to... 'ehh, sure, maybe...?' In other words: good luck.
10	Why not? Life is chaotic anyway.
11	Ask again later. But like, way later. Maybe after dessert.
12	That’s a solid ‘perhaps.’ Which is as non-committal as it gets.
13	Well, well, well... looks like a coin toss. And it landed on the edge.
14	Sure, but only if you say it was your idea.
15	It's a yes, but with a suspicious side-eye.
16	Yes, and may the gods have mercy on your soul.
17	Yes, but you’ll probably regret it.
18	Absolutely yes! (Until it goes terribly wrong, that is.)
19	Oh, you betcha! Fate’s on your side, baby!
20	YES! The stars aligned! The heavens opened! Run with it before they change their mind!

Should you expect triumph or disaster? Ask the Fate Finder a question about a future endeavor or path in life. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	A disaster of epic proportions. Brace yourself; it's gonna get messy.
2	You've awakened some ancient curse. Expect bizarre inconveniences.
3	Everything that could go wrong...will. And it'll be spectacularly bad.
4	Your day just took a hard left turn down Unfortunate Street.
5	Expect a series of small mishaps. Nothing major, but enough to annoy.
6	A mild misadventure awaits. Think: 'spilled coffee' kind of day.
7	The universe is ignoring your requests. Try not to tempt fate too much.
8	You'll get by...barely. Like someone surviving on stale crackers.
9	Not great, not awful. Life's just tossing you the crumbs today.
10	Neutral vibes. Nothing gained, nothing lost. Think of it as a reset.
11	A sliver of good things ahead. Maybe a small win, like free ketchup.
12	Expect things to work out...just not as planned. Keep an open mind.
13	A hint of something nice. Nothing to write home about, but pleasant.
14	Some helpful turns are coming your way. It's a nod from the universe.
15	Things are looking up! Keep an eye out for small surprises.
16	The stars seem to be aligning in your favor. Be ready to catch a break.
17	Great things ahead! Destiny's rolling out a red carpet for you.
18	Expect a wonderful twist—life is about to throw you a high-five!
19	Prepare for some serious wins! The universe is in a giving mood.
20	The best possible outcome! You're practically glowing with potential!

Sizzling sparks to blubbering blunders? Get a hint at the kind of date you're in for. Ask the Fate Finder a question about a romantic pursuit. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	A disaster. Awkward silences, spilled drinks—just run.
2	Your love life just filed a restraining order against you.
3	You're about as charming as a wet sock today. Best to stay single.
4	They're 'just not that into you.' And it shows.
5	A lukewarm 'meh.' Like a date at a fast-food joint with a broken soda machine.
6	Maybe try a different approach... like staying home.
7	Mild interest, like someone half-heartedly swiping right.
8	A hint of potential, but don't go buying matching outfits yet.
9	They're on the fence. Charm might tip it—or push it over.
10	A polite coffee date. Things could be worse.
11	A slight spark. It's there, but it needs more fuel to really burn.
12	Some mutual interest! You've got their attention... cautiously.
13	Getting warmer! You're one or two good jokes away from a second date.
14	You've got chemistry! Or at least they laughed at your jokes.
15	Things are heating up! They may even save your number this time.
16	Smooth sailing! Prepare for some lingering glances.
17	They're smitten! Roses and candlelight might be in your future.
18	Expect sparks! They're swooning, and it's all because of you.
19	An epic romance is brewing. Cue the romantic music montage!
20	Total heart-throb status! You're their one-and-only, hands-down.

Expecting a cozy gatherings or epic family feud? Ask the Fate Finder a question about a family affair. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	Brace yourself: it's a family feud worthy of a TV show.
2	The family drama is strong today. Expect judgmental glares and sighs.
3	An argument about nothing will ruin the whole evening. Avoid the topic of Dad's breakfast beer.
4	Your nosy relative is coming for you with all the questions. You've been warned.
5	A polite but painfully dull gathering. The main event is casserole.
6	Family game night turns into family blame night. Stay sharp.
7	Mild chaos. Someone will bring up politics—proceed with caution.
8	A small misunderstanding will lead to eye rolls and passive-aggressive remarks.
9	An uneventful day. A bit of bickering, but nothing major.
10	A standard family day: mostly calm, with a few quirky moments.
11	Some mild bonding. Maybe a shared laugh, if you're lucky.
12	A warm get-together, just avoid the topic of your job or dating life.
13	Pleasant conversations with a side of playful teasing.
14	A heartfelt moment awaits! Just don't tell them too much.
15	Everyone's in a good mood! Expect smiles and a plate of leftovers.
16	A lovely family moment; someone may even share their secret recipe.
17	The family is unusually harmonious! Maybe a group photo is in order.
18	Expect hugs, laughs, and everyone getting along. A rare treasure.
19	An epic family bonding session. Even the in-laws are on their best behavior.
20	The perfect family day! Think laughter, memories, and way too much dessert.

Occasional hiccup or lifelong bonds. Ask the Fate Finder a question about a friendship or social outing. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	Betrayal central. Your ‘friend’ just spilled all your secrets.
2	Trust issues abound. Something’s off, and you’re the last to know.
3	Petty drama alert! Prepare for passive-aggressive texts.
4	Your friend is in a weird mood, and it’s aimed at you.
5	A misunderstanding brews. Nothing major, but it’s awkward.
6	Minor irritation. They forgot something important to you.
7	Some tension. They borrowed something...and you’re not getting it back.
8	A lukewarm connection today; small talk with a side of ‘meh.’
9	Some lighthearted banter, but nothing too deep. Friendly but surface-level.
10	A casual vibe. Reliable, but don’t expect any heart-to-hearts.
11	Comfortably close. A small reminder of why they’re in your life.
12	Good rapport. You’ll feel supported and share a genuine laugh.
13	Trust is solid. A dependable friend you can count on today.
14	Bonding moment! You’re reminded why they’re your go-to person.
15	A memorable chat. They listen, they understand, they’re there.
16	Great connection! Trust, laughter, and a sense of being truly seen.
17	They’ve got your back, and they’ll prove it today.
18	A moment of deep understanding. Soul-friend level unlocked.
19	True loyalty shines. They’d move mountains—or help you hide a body.
20	Friend for life! Unbreakable bond, eternal inside jokes, the whole package.

# Work and Business

Ask the Fate Finder a question about a future endeavor. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	Total disaster. Meetings, deadlines, and tech issues—it's all falling apart.
2	Major setback. Think missed deadlines, unhappy clients, and a spilled coffee.
3	Everything that could go wrong...does. Maybe call out sick today.
4	Your productivity has gone AWOL, and so has any sense of accomplishment.
5	Tedious busywork. Expect a day of paperwork and no real progress.
6	A bit of office politics or miscommunication messes up the workflow.
7	A slow, uninspired day. You'll get things done, but just barely.
8	Minor hurdles. You'll make it through, but with a few eye-rolls.
9	An average workday. Get your TPS reports in on time.
10	A steady day. Not thrilling, but productive enough.
11	Some small wins! You'll finish a few tasks and get a little satisfaction.
12	A decent day. Tasks go smoothly, and you might even finish early.
13	Progress is solid. You'll wrap up key tasks and maybe impress a few people.
14	You're in the groove! Projects move forward, and motivation is high.
15	A productive and enjoyable day. Even the emails are pleasant!
16	Good feedback! Your hard work is paying off, and people are noticing.
17	Recognition incoming! A boss or client is thoroughly impressed.
18	Big success! You've nailed your tasks and maybe landed a new opportunity.
19	Career breakthrough! This could be a major turning point for you.
20	The best workday possible! Promotions, praises, and maybe even a bonus.

Ask the Fate Finder a question about a future endeavor. Give it a shake and focus on your question. Turn it over to the window to reveal your Fate.

#	Result
1	A rough day. Group project drama, and you're the one doing all the work.
2	Pop quiz! And you didn't study. Prepare for some creative guessing.
3	You spaced on a major project. Hope you're ready to improvise!
4	You're called up to the board...and you have no clue what you're doing.
5	A rough day. Group project drama, and you're the one doing all the work.
6	The lesson is boring, and so is your energy level. Good luck staying awake.
7	A mediocre day. You'll get through it, but nothing will really stick.
8	Forgot your homework, but at least you can turn it in tomorrow.
9	Nothing special. You'll show up, take notes, and just get by.
10	An okay day ahead. You'll manage fine, but nothing spectacular.
11	Some bright spots await! You'll answer a question right and feel clever.
12	Decent progress on the horizon. You might even impress your teacher.
13	You'll show some solid effort, handing in assignments and keeping up in class.
14	You'll nail today's quiz or win a little teacher praise!
15	Confidence boost incoming! You'll have a smooth day and feel on top of things.
16	Recognition awaits! The teacher might just praise your hard work.
17	You'll crush an upcoming test and have classmates asking for study tips.
18	Academic success is on the way! You'll be the star of the day.
19	Prepare for a shining moment! Top marks and maybe a little applause.
20	A perfect school day is coming! High grades, teacher's approval, and a free period too.
